

Privacy Policy

Thank you for using [Smart lot Lamp]. We are committed to protecting your privacy and complying with relevant laws and regulations (such as GDPR and CCPA). This privacy policy details how we collect, use and protect your information.

1.Information We Collect

When you use this application, we may collect the following information:

Precise location data:

Purpose: Used to identify your current location when installing light poles, for the purpose of recording their location information.

Data processing: Your location data will be transmitted using encryption technology and will only be used to provide the relevant services. We will only enable obtaining location information on the device positioning page, and will stop positioning information after exiting the device positioning page.

Sharing situation: We may cooperate with Amap to provide more accurate services.

Photos or Videos:

Purpose: Used for scanning QR codes when adding devices.

Data Processing: Uploaded photos or videos are not stored and are only used for QR code scanning.

Sharing: We will not share your photos or videos with any third party without your explicit consent.

2.How We Use Your Information

The information we collect will be used for the following purposes:

Provides the core functionality of the application.

Improve product performance and user experience.

Comply with legal and regulatory requirements.

3.Data Storage and Security

All data is transmitted and stored with encryption.

We regularly inspect system security to prevent data breaches.

4.User Control

You can manage or revoke permissions at any time:

Disable Location Access: Go to [Device Settings > Privacy > Location Services].

Disable Photo/Video Access: Go to [Device Settings > Privacy > Photos or Camera].

Delete Data: You can contact our support team to request the deletion of your personal data.

5. Data Sharing

We do not sell your data. Data sharing may occur under the following circumstances:

Service Providers: We may partner with mapping services, but this data will be strictly protected.

Legal requirements: We may need to disclose data where required by law or to resolve disputes.

6. Privacy Policy Updates

This privacy policy may be updated from time to time. Any changes will be communicated to you via in-app notifications or email.

7. Contact Us

If you have any questions about the privacy policy, please contact us through the following channels:
